Investment in the Indian Telephone Industry

900 SHRI SOMAPPA R. BOMMAI: Will the Minister of COMMUNICATIONS be pleased to state:

(a) what is the total investment in the Indian Telephone Industry in the country;

(b) what is the employment of officers, technicians and workers category-wise in the Indian Telephone Industry;

(c) what is total capacity of the Indian Telephone Industry and what is its actual utilisation stating the reasons for shortfall in the utilisation of its full capacity; and

(d) whether there is any retrenchment in the ITI, if so, what are the details thereof ?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) The gross block of the ITI Ltd. is Rs. 628.98 crores as on 31-3-1994.

(b) There are 6147 officers and 22267 non-officers in ITI Ltd. as at the end of June, 1994.

(c) The capacity is defined in terms of finished products but in Telecom sector changes in product mix, technology, level of integration, the stages of the product life cycle etc. very commonly influence the capacity of the projects. It is, therefore, difficult to arrive at the exact capacity for various products of the Company. Overall, till last year there has been no under utilisation of capacities but during the current year, mainly due to competition, ITI Ltd. in 4 of its units *viz* Rae Bareli, Naini, Electronic City Unit and Bangalore is finding it difficult to get sufficient orders. However, 30 per cent of total requirements of equipments manufactured by our own Public Sector Units has been assured for ensuring proper utilization of their capacities.

(d) There has been no retrenchment in ITI Ltd.

Losses to ITI for lack of orders

901. SHRI SOMAPPA R. BOMMAI: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether it is a fact that the capacity in the Indian Telephone Industry in
